- 1.2. Champions of the Cal South National Cup will represent California State Soccer Association South (**Cal South**) in the US Youth Soccer Region IV Far West Regionals. Cal South teams who win the US Youth Soccer Region IV Far West Regionals in boys and girls Under 13 through Under 19 age groups will represent Cal South and Region IV in the US Youth Soccer National Championship Series (**USYSNCS**) National Championships. Failure to comply with the mandatory attendance provision shall subject the team to possible disciplinary action.

2. Administration

- 2.1. The Cal South Chief Executive Officer (CEO) shall oversee all Cal South State Cup Tournaments. The Cal South CEO will ensure a Cal South National Cup Program Coordinator (NCPC) is appointed to administer the tournament.
- 2.2. The National Cup Program Coordinator shall administer the competition format, dates, times, and sites for all game and arrangements including referees. The National Cup Program Coordinator may convene a National Cup Competitions Panel (NCCP) comprised of no less than three (3) representatives to adjudicate National Cup protests, appeals and eligibility issues.
- 2.3. The Cal South National Cup Competitions Panel shall have the authority to rule on any matters pertaining to the National Cup competition. The National Cup Program Coordinator will address forfeits, misconducts, and/or any other incident arising out of a National Cup game. The National Cup Program Coordinator may increase automatic minimum game suspensions.
 - 2.3.1 The decisions of the National Cup Competitions Panel are final, however, the decisions may be appealed per Section 14.
- 2.4. The current FIFA Laws of the Game will govern all games as amended by US Youth Soccer (**USYS**) Rules governing National Championship Series Competition as well as Cal South Bylaws, Rules and Regulations, and these competition rules.

3. Team Eligibility

A team entering the National Cup shall meet the following eligibility requirements:

- 3.1. The team must have competed in a Cal South approved League or Regional League playing a minimum of 4 games, using Cal South approved player passes for the seasonal year with the exception of Under-19 boys and girls.
- 3.2. The team must be comprised of properly registered and rostered players on an Activated Team within the Cal South Online system (**CSOS**) (as defined by the Rules of USYS and Cal South). No team may register a player not residing in Cal South to its roster without prior written permission from the Cal South President or their Designee and the home State or National Association of the player.
- 3.3. The team must be in good standing with Cal South, it's League/Club of registration and competition League, if applicable, and must be in compliance with, and has not violated, any of the rules of US Youth Soccer, Cal South and League of competition.
- 3.4. **Roster Continuity:** The team must demonstrate continuity of rosters between the Cal South Online System Team Registration roster and National Cup competitions by maintaining a minimum of nine (9) players common to the rosters of both. Player retention shall be based on the Cal South Online System Team registration roster as of November 15th of the current seasonal year, except Under 19 teams. In order to be eligible to participate in the USYS Far West Regionals or National Champions Series a team must comply per USYS Rule 221, Section 1 (5), states that a team must "**maintain a minimum of nine (9) players common to the roster**" from League play to every level of the National Championships competitions Far West Regionals and National Championship. This provision does not specify which nine (9) players, only that the roster at each level of the competitions must have at least 9 players common to the Cal South Online System Team registration roster. Therefore, if the team has only nine (9) players from its Cal South Online System Team registration roster at each level of the competitions, then the team must have those nine (9) players on its roster at each level. However, if a team has more than nine (9) players from its Cal South Online System Team registration roster for its roster for the competitions, then the team only needs to have at least nine (9) of those players on its roster at each level of the competitions.
- 3.5. The Club has the flexibility to manage player movement between teams for the National Cup and USYS National Championship Series (NCS) as provided by the

- “Club Pass” provisions in the US Youth Soccer National Championship Policy (USYSNC Policy) as expressed in Rule 221, Section 2 (b) and team can remove players involuntarily. The Club can also remove a player involuntarily from a team if the player has violated the bylaws, policies, or requirements of the Federation, US Youth Soccer, the State Association, or the member of the State Association through whom the player is registered or if the player is unable to play as described in the Cal South Rules and Regulations.
- 3.6. USYSNC Policy Rule 224, Section 4, designates that the first National Championships roster on which the player is rostered at each level of the National Championships competitions, and that roster is submitted to the team’s State Association as required by the State Association, is the National Cup roster for that player. The Club will determine when a player is placed on a National Cup roster. Once a player is rostered for the National Cup, the player is not allowed to move within his or her Club until the player’s team is eliminated from the competition and then only for the next level of the NCS. A team may not roster any player who was previously rostered during the seasonal year to another Club, unless the player has been processed and approved by Cal South through the Online Release and Transfer System. At the time a team names its NCS roster it may not have more than five (5) previously rostered (transfer players) players from a different Club or drop pool. Moving a player from the drop pool is a transfer.
- 3.7. Every team shall have a National Cup Team Tournament Roster and will present a National Cup Team Game roster for every National Cup game. The Maximum Roster Size for the respective Team Rosters are identified in the table below. Every National Cup team roster shall have a minimum of seven (7) players on the roster at all times. (USYS Policy 205) (Cal South Rules and Regulations 1.4.5 and 1.4.6)

<i>U12</i>	18	18	18
<i>U13 to U15</i>	18	22	18
<i>U16 and above</i>	22	22	18

- 3.8. **Roster Freeze:** The team must name its Team Tournament Roster for National Cup competition by the **Roster Freeze Date**. This date depends on the Cup Competition age group, but will be nine (9) days prior to the start of the competition for the particular age group. All changes to team rosters, adds, transfers, etc., including electronically posted changes to tournament entries, team rosters, adds, transfers, etc., made via Internet on the Cal South Online System, **must be posted** on the Cal

South Online System **by 6:00pm on Wednesday, nine (9) days prior to the start of competition** (if competition starts on Saturday), or 6:00pm on Thursday, **nine (9) days prior to the start of competition** (if competition starts on Sunday).

- 3.8.1. Once a player is rostered to the Team's National Cup Tournament Roster and the Roster Freeze is in effect for the respective Division, the player is ineligible to play on any other team participating in State Cup or National Cup until the player's team is eliminated from the competition. A player who participated in a Cal South National Cup quarter, semi, final match, or in a National League or Regional League team is ineligible to participate in Regional and/or National Presidents Cup per USYS Rule 302 Section.
- 3.9. Teams may enter the National Cup in a different age group than they were initially registered for in the current seasonal year as long as every player registered to the team is age appropriate for that competition's age group. If a team enters the competition in an older age group than originally registered, the team can club pass players in as long as age appropriate for that age competition. Teams can play up maximum of two (2) years, except Under-10, which must play Under-10.
- 3.10. Teams must enter National Cup via Internet on the Cal South Online System no later than the date set by the National Cup Program Coordinator. All entries must be posted electronically by **11:59 pm** on this date and must be paid in full.

Teams withdrawing after the Draw Date shall forfeit their entry fee and be subject to further disciplinary action including a fine.
- 3.11. Teams may enter only one Cal South State Tournament in the seasonal year.
- 3.12. There will be no wait list for National Cup Competition.
- 3.13. Teams agree to play wherever they are assigned to play within the Cal South geographical area.
- 3.14. The team's administrator acknowledges the team has complied with the above requirements at the time of completed online registration application.
- 3.15. **Cup Tied:** Once the Draw Date has been reached players on Teams that were part of the Draw are Cup Tied to the Team for the National Cup for the seasonal year. A Cup Tied player may Transfer to any other Team but is ineligible to play in a National

Cup for the current seasonal year. Changes to team rosters, adds, transfers, etc., including electronically posted changes to tournament entries, team rosters, adds, transfers, etc., made via Internet, must be posted by **6:00 PM PST on the Wednesday prior to the Draw.**

- 3.16. A team entering the Cal South National Cup shall, if becoming Champion of an age group, represent Cal South at the US Youth Soccer Region IV Far West Regional Championships and if Regional Champion at the US Youth Soccer National Championships. Failure to comply with the mandatory attendance provision may subject the team and administrators to disciplinary action.
- 3.17. **Club Pass:** Changes to the USYS Policy, Rule 221, and Section 7 allow for the rostering of a player from the team's club that was not on that team's National Championship roster at the prior level by using Club Passes. Under subsection (a) of the section, the additions to the team's National Championships roster may occur at the Regional or National Championships levels, or both. However, the only players the team may add to its roster at those levels are eligible players of the Club. However, if a player transferred from a team not participating in a National Cup after the Cup Tie Date, then they cannot be Club Passed. Example: A player transfers to a National Cup team from a non-participating team after the Cup Tie Date, because he thinks he can then be Club Passed to a different team, different age group. Players that are transferred after the Cup Tie Date is in effect, CANNOT be Club Passed.
- 3.17.1. A player may only be rostered to one team at each level of Cal South National Cup or the National Championship Series (**NCS**) and that player may not play for another team as long as the team remains in the competitions. Once the player's team is eliminated from any level of the competitions, the player then becomes eligible for another team in the Club should the player meet all the necessary requirements, i.e. age, club pass, etc.
- 3.17.2. Players may move between teams in a Club at each level of the competition but can never be on more than one National Cup Tournament Roster for that level as is provided in USYSNC Rule 224. USYSNC Rule 221, Section 2 (a) (1), of the Policy provides that the Club may issue a Club Pass to a US Youth Soccer registered player in the Club and opens the National Championships roster of the team to any player in the Club that is eligible and has a Club Pass as long as the roster meets the minimum nine (9) player "continuity of roster" rule.
- 3.17.3. If a Club Passed player is Released and/or Transfers from his or her Team of Registration then the Club Pass is null and Void and the player if eligible, must be Club Passed again from their new Team of Registration.

4. Player Eligibility

- 4.1. Players must be properly registered and rostered to their team at the time it names its National Cup Tournament Roster for that team.

- 4.3. A player who has been suspended may play after the player's term of suspension has been completely served.
- 4.4. A player is Cup Tied to his/her team once the team has entered a State Tournament and participated in the Draw for his/her team's respective age group. For the purposes of the 2016 Cal South National Cup Youngers Division, the Cup Tied date is the date the National Cup rules are posted to the Cal South website, which is January 26, 2016.
 - 4.4.1. A Cup Tied player may Transfer to any other team entered but is ineligible to play in a State Tournament for the current seasonal year.

Bracket round games can end in a tie.

advanced or one team is eliminated, or both. If remaining teams are still tied at this point in the tie-breaking process, they will then be compared beginning again with step 1 until another team is either advanced or eliminated or both.

- 5.6. Entries into the National Cup will be seeded and placed in brackets based primarily on the previous year's National Cup results, providing that the team returning has on their current season's roster nine (9) players common. If a team has changed their club affiliation since last year, or if a team has changed their team number or made a change to their name, the National Cup Program Coordinator must be notified of these changes when the team first applies to the tournament.
- 5.7. If, due to the withdrawal of teams, a Round 1 bracket contains three or fewer teams, the remaining teams may be placed in different brackets. In addition, the National Cup Program Coordinator may redraw any age group if withdrawals reduce the total number of teams in that age group competition to a level, which would eliminate the need for one round of competition.
- 5.8. Teams shall be notified of schedules a minimum of fourteen (14) days prior to their first round of games.
